

BART MEETING WITH SMALL CONSTRUCTION FIRMS

YOU'RE INVITED: BART wants to contract with small construction companies. BART staff will discuss the Earthquake Safety Program (ESP), contract opportunities, and free support services that will be available.

WHEN: Wednesday, June 2, 2010, 5:30PM

WHERE: Chareles F. Kennedy Community Center, 1333 Decoto Road, Union City, CA.

WHO SHOULD ATTEND: All Small Construction Firms:

Concrete, Drywall, Electrical Construction, Earthwork & Paving, Fencing, Carpeting, Flooring, Demolition, Ironwork, Landscaping, Masonry, Painting and Decorating, Plastering, Plumbing, Roofing, Sanitation, Steel Reinforcing, Steel Structural, Welding, Trucking, Traffic Control, Security, Moving Services.

WHY ATTEND: Learn about BART's 1.3 billion dollar construction project, obtain contracts and free support services.

HOW YOU CAN BENEFIT:

Obtain contracts with BART's Earthquake Safety Program (ESP), a 1.3 billion dollar 10-year project to retrofit/rehab the four county BART system. In addition to contract opportunities, the following free support services are being made available:

- Preparing your business to contract with BART's ESP
- Classroom training
- Technical Support: bidding strategies, bonding assistance, understanding the BART contracting process
- How to build relationships with prime contractors
- Opportunities to meet with one or more prime contractors

PLEASE REGISTER BY FRIDAY, MAY 28TH:

By calling the Hispanic Chamber of Commerce Alameda County at (510) 536-4477, or send email to acerda@hccac.com
